

## Grade 5 Summer Reading 2017

All students in grade five will read two books this summer.

- 1) Each student *must* read Rules by Cynthia Lord.
- 2) For their second book, students can choose between the following:
  - i. The Series of Unfortunate Events: The Bad Beginning by B. Helquist L. Snicket
  - ii. Freddy Goes to Florida by Walter R. Brook
  - iii. James and the Giant Peach by Roald Dahl

Students should fill out the story maps provided while reading each of these books. Each student will be tested on their comprehension of the book Rules upon their return, and will complete a book report for the second book read (either The Series of Unfortunate Events: The Bad Beginning, Freddy Goes to Florida, or James and the Giant Peach).
