****PLEASE NOTE:** Each student should also have a system for staying organized and keeping notes, handouts, homework, etc.

A couple of suggestions to choose from:

- A spiral notebook for each of the six classes and a folder for each class for keeping work;
- One large binder for all classes with at least six dividers to keep materials organized; loose leaf paper for note taking
- A small binder (~2 inches) for each teacher (3 total) with dividers to keep organized and loose leaf paper for note taking
- Other supplies that students like are accordion folders or large notebooks with subject dividers
