

# St. Francis Xavier School Track Club Manual Spring 2019

## ➤ **Mission Statement**

The St. Francis Xavier School Track Club introduces the sport to students and develops their athletic skills while fostering holistic growth in health and fitness, teamwork, sportsmanship, community, and self-discipline.

## ➤ **Philosophy**

The program stresses teamwork and community while differentiating the athletic challenges students receive, thus striving to “build up the student from where he or she is.” Students do not have to be in excellent physical shape or have experience in sports to participate, but they must be committed and try to be their personal best. Competition is stressed at the individual level; students are always encouraged to compete against their personal best times, not focusing on the performance of others.

## ➤ **Events**

Coaches will relay information about the season’s public road races to parents and answer questions about preparedness. Students are encouraged to represent their school by wearing St. Francis Xavier School track shirts and cheering on their schoolmates. Road races usually involve a registration fee of approximately \$18-25 as well as transportation and mandatory supervision by parents or guardians, who will be solely responsible for such duties and the safety of their child during any out-of-school events. The coaches recommend meets only for those students ready to run a 5k and in grade 5 and above, unless the parents is running with the student. Races are not mandatory and are not school-sponsored functions, with the exception of the Greater New Bedford Schools Track Meet. Additional information about these and other local events is available at <http://www.jbrace.com/>

## ➤ **Attendance**

Students are expected to attend all after-school practices. Aside from health and academic reasons, multiple absences from practice may result in possible removal from track meet roster.

## ➤ **Cost**

There is an administrative fee of \$20 per family for participation in the Track Club. Those students not picked up by 4:20 p.m. or the designated end time of practice will be automatically enrolled into extended care, and their parents will be charged the normal rate of \$4.50 per hour, on the half-hour.

➤ **Attire**

Students should report to school in full uniform and change after school at the direction of extended care staff. The school administration will judge appropriate dress for practice. Dress code for track follows the already established non-uniform dress code policy in the school handbook and consists of, but is not limited to:

- Running shoes
- A water bottle
- Athletic clothing
- St. Francis Xavier School track shirts may be worn at meets and on designated practice days.
- No short shorts
- No muscle shirts are allowed
- No iPods, phones, or technological devices
- Students who do not adhere to the attire policy may not be able to participate in practice.
- Students remaining at school for extended care after practice are to be dressed appropriately.

➤ **Inclement Weather and Cancellations**

Mr. Ferreira will make the decision as to whether practice will take place on days with inclement weather. Parents should check their e-mail throughout rainy days, as notices of cancellation will be sent via e-mail as well as posted on the school website.

➤ **Communication**

Parents may e-mail track coaches directly about track-related questions and concerns. Other issues should be directed to the school. Track news will be communicated through the weekly school newsletter or by e-mail. ([aferreira@sfxacushnet.com](mailto:aferreira@sfxacushnet.com) )

- Be respectful of staff, coaches, teammates, the environment, etc.
- Be attentive
- Follow directions

**Infractions of the rules, according to their severity, may result in the following consequences:**

All disciplinary matters will be communicated by coaches to the school principal, and/or assistant principal.

➤ **Parent Involvement**

Parent support is vital to the success of our track club. Please let us know how you could possibly support our efforts. Attendance at informational meetings is strongly encouraged, and attendance at out-of-school track meets by a parent or designated guardian is required.
