While much of the time in my "virtual office" is spent alone, I have had a few students "pop in" for a visit. Even if only one or two take me up on the offer, it is still worth the time to be available for any student (or parent!) who may have an issue or just want to talk! Please contact me for this week's zoom links for my Open Office Hours on Monday and Tuesday this coming week. Thank you!

THANK YOU, THANK YOU, THANK YOU!

The outpouring of love and appreciation this past week for our staff was awesome! Thanks so much for your donations, which were greatly appreciated by our staff as they loved their Jeffrey's pizza and Acushnet Creamery!

A Message from our School Nurses

[Please click here](#) to visit our nurses' updated Google webpage, that has a number of valuable resources for you and your families! There are so many "moving parts" to our new reality, that it is essential that we keep a finger on the pulse of our students' well-being. Please reach out if you have any comments or concerns, as it pertains to your families, or anyone you may know who is in need of support.

"Your grace is enough for me, O Lord."

This school year on Wednesday mornings students and faculty joined in the Marian stairwell to pray the rosary together. This week, Ms. Cordeiro will bring back this school tradition, by welcoming whoever might be available to *pray the rosary on Wednesday the 13th of May at noon.*

The zoom link can be found in the newsletter that was emailed to you. Please consider joining us..... parents are welcome too!

Each school day during the month of May, students and staff can log on at 3pm, and pray a decade of the rosary with whomever zooms in!

Hope to see some students and faculty take advantage of this wonderful opportunity to pray together!

The zoom link can be found in the newsletter that was emailed to you.

Thank you to Ms. Cordeiro and preschooler, Cora Gardner for praying with me last week!

HAPPY BIRTHDAY to all of you!

We realize that distance learning has had its share of challenges, but we have much to celebrate! *Our students continue to thrive, thanks to our amazing staff and supportive parents.*

With seven weeks of virtual teaching in our rear view mirror, we "press on" and finish strong in the next four! The last day of virtual learning for students is Friday, June 5th, with the week of the 8th being reserved for final assessments, meetings, and virtual "step up day". Supply drop off, as well as personal belonging pick up and summer packet distribution will take place on the 15th and 16th of June. Stay tuned for more details, and thanks so much for your continued support! Almost there!

We realize that the days can be quite long with the children at home. The limitations placed on our lives during this time are challenging to say the very least.
