With the finish line in sight, I cannot thank you enough for your support, encouragement, patience, cooperation and love throughout the past few months of distance learning.

No one could have predicted what has become our new reality, and I could not be more pleased or proud of the way in which our school community has risen to a challenge that may have been considered one that was beyond our capabilities.

Never in my wildest dreams did I consider the reality of overseeing a virtual school community, and I personally thank you for your unwavering support. Please know that we have missed your children (as much as you have missed them being with us!) over the course of the last few months! While zoom classrooms have been great, they can never replace human contact and connectedness.

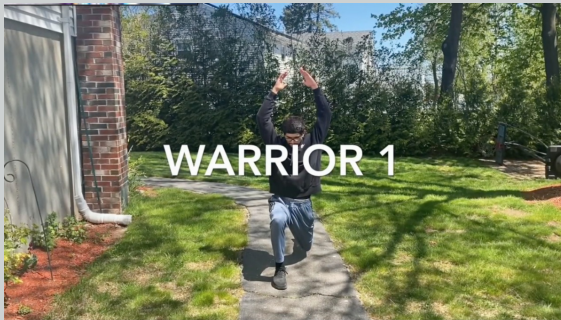

One more week of virtual lessons, one week of "finish up" and we will then cross the virtual learning finish line. We will do our absolute best to finish out the school year in a prayerful positive manner, (although distanced), assuring our students that they are missed, valued, and worthy of celebrating!

God bless, stay safe and have a wonderful

Preschool Pentecost!

Come Holy Spirit and renew the face of the
Earth!

Ms. Cordeiro teaches her preschoolers about
the great Feast of Pentecost that we celebrate
this weekend, and makes "tongues of fire" hats
to depict the descent of the Holy Spirit!

We're in this together... and we're here for you!

By now you should have received your 2019-2020 Family Fundraising Obligation invoice.
Thank you all for your cooperation and understanding as we finish out our fiscal year.
Please contact the school office should this be a burden for you, given our current
situation. Thank you!

While much of the time in my "virtual office" is spent alone, I have had a few students
"pop in" for a visit. Even if only one or two take me up on the offer, it is still worth the
time to be available for any student (or parent!) who may have an issue or just want
to talk! Please contact me for this week's zoom links for my Open Office Hours on
both Monday and Tuesday this coming week. Thank you!

with whomever zooms in! Hope to see some
students and faculty take advantage of this
wonderful opportunity to pray together!

Please check the newsletter that was emailed to

Thank you to those who joined us in prayer
