

Dear Third Grader,

I want to tell you how excited I am about being your third grade teacher next year! One way you will be ready for the new school year is to complete your summer packets. Here is what I would like for you to do before the first day of school.

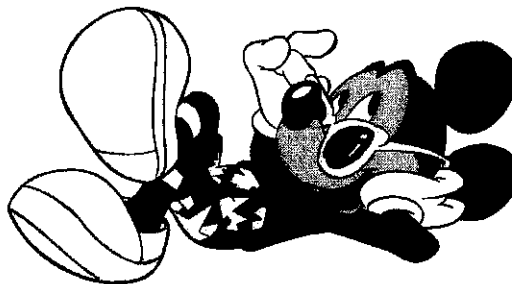

Reading: Read the book *Third Grade Angels* by Jerry Spinelli. Complete the reading activities. Please answer with complete sentences.

Math: Complete the math packet. Please be sure to **show your work** without using a calculator! (*Show what you know!*)

IXL- On the back of this letter, you'll also find suggestions for IXL assignments that can boost your child's literacy and math skills! Please email me at pferullo@sfxacushnet.com with any questions.

Both summer packets are due on the first day of school.

Enjoy your summer vacation! I will be praying for you and your family.

Mrs. Ferullo
