Dear Parents/Faculty/Staff/Students:

Our school is required by federal law to have a plan in place to protect the health and safety of students, teachers and other occupants of our building from asbestos-containing materials. The purpose of this letter is to inform you that our facility has been recently inspected and is in compliance with federal regulations regarding asbestos.

A copy of our school's AHERA Management Plan is available in our school office should you want to review it.

In His Merciful Love,

A handwritten signature in black ink, reading 'Mrs. Haley R. Rogers'. The signature is written in a cursive, flowing style.
